# Why Choose Hive?

A fair, simple, and secure way to share skills and strengthen your neighborhood bonds.

## Time as Currency

One hour equals one hour.  
Everyone's time is valued equally,  
creating a truly fair exchange  
system.

## Local Connections

Find and offer services on an  
interactive map. Connect with  
neighbors near you and build  
lasting relationships.

## Safe & Secure

Verified profiles, ratings, and a  
dedicated moderation team ensure  
a trustworthy community  
experience.

## Direct Messaging

Private chat to coordinate details,  
share expectations, and confirm  
arrangements easily.

## Mutual Reviews

## Track Your Impact

Rate and review exchanges to build reputation and help others make informed decisions.

View your balance, transaction history, and see the difference you're making in your community.

# How It Works

Getting started with Hive is simple. In just a few steps, you'll be trading time with your neighbors.

1

### Sign Up

Create your account and tell us about the skills you can offer and what help you need.

2

### Post or Browse

Offer a service or browse the map to find needs nearby. Apply to help your neighbors.

3

### Connect & Agree

Chat with your match to confirm details, location, and timing. Accept the arrangement.

4

### Complete & Rate

After the exchange, both parties confirm completion. Time credits transfer automatically.
