

Apply to Help

Why do you want to help?

I love gardening and outdoor work! I've helped my parents with our garden for years and would be happy to help prepare your space for spring planting. I'm available this weekend and excited to contribute to the community.

Share your motivation and relevant experience

When are you available?

Saturday morning or Sunday afternoon

Suggest specific times that work for you

Your Skills & Tags

gardening, outdoor work, composting

Add tags that describe your relevant skills and experience

Additional Notes (Optional)

I have experience with composting and can share some tips if you're interested!
